Facts for Third Party Prohibi tionists to Ponder.

That every state having state laws or

has reversed its laws upon this question within the last five years. That the only states before which constitutional prohibition is pending are Republican. That in the state of New Jersey by a Republican General Assembly passed lat ly a local option law which was vetoet by a Democratic Governor and then was p seed over his veto and has been declared constitutional by a Repoblican court and all this was opposed by the third partyites as being contrary to their pet through that the plack in regard to the internal revenue on infoxieating platforn's are almost identical,

That third party prohibitionists are ingoged in tibelous and abusive opposition to the Republican party its best a ly and is aiding in every possible way the Democratic party it- Worst enemy. That the prombition party opposes

every measure for temperance legislator that does not conform to their own pet theory. That the methods of the prohibition

party tend only to divide up temperance workers ther, by weakening the cause of temperance among the masses. ANTI-SALOOIST.

For fome time past I've been a rheu-

matic 1 recently tried Salyation Oil wolch gave me almost instant relief. 1 sincere y recommend it as it has entirely cured me. James Gordon, Balto, THE Democratic House made great

pretenses of economy last year and now finds it necessary to as propriate \$18,000,0:0, by way of deficiency bills, to pay the accumulated debts of that period. Gradually the Treasury surplus problem is being solved by prodigality in appropriations. The President vetoes \$5 pension bills, and dis-

approves small appropriations for publie buillings in Republican States, in the name of economy. But he has approved measures for larger sums in Southern towns, and added \$180,000 to the cost of public printing in a manner that even Senator Reagan, of Texas, characterizes as "shameful;" so the average of public expenditures is more than kept up.
